

VISIT LONDON IN STYLE

Imagine London at your fingertips with a uniformed chauffeur and prestige vehicle at your disposal, a luxury portered apartment, and access to fully-serviced meeting rooms all within walking distance of some of London's best restaurants and designer shops. Welcome to Business Concierge Services.

Business Concierge Services

WE TAKE CARE OF BUSINESS

THE PACKAGE:

CHAUFFEUR SERVICES

Our chauffeurs are experienced, dedicated and knowledgeable about London. The Business Concierge Service's executive and luxury fleet comprises a range of prestige vehicles to suit your individual taste and needs.

LUXURY APARTMENTS

Our portered apartments, situated in prime central London areas such as Mayfair, Knightsbridge and Belgravia, are available for short or long term visits. The apartments offer a relaxing and refined atmosphere with ample space to work, entertain and unwind in home-away-from-home comfort.

SERVICED MEETING ROOMS

The Business Concierge Services package provides access to fully-serviced meeting rooms featuring stunning views of London and Hyde Park. The rooms come with full support and facilities, secure Internet connection, 24-hour access with manned security and underground parking. Boardrooms are available on request.

We believe in building partnerships with businesses and individuals, so please call us at (813) 805-8095 or send an email to linda@fesamuels.com or jacquelyn@fesamuels.com.

“ ...My chauffeur, Gary, was extremely kind and courteous. Though I was always in a hurry, still he managed to pass on local tidbits while cutting through quieter streets...”

LONDON – AS YOU WANT IT

London is Europe's financial and business center and one of the world's cultural hotspots. Whether you visit the city for business or pleasure, we have created a unique service to allow you to make the most of your London stay – in style.

Business Concierge Services

WE TAKE CARE OF BUSINESS

A FULLY INTEGRATED SERVICE

Because we are international business people ourselves with a London head office, we have developed a keen understanding of what a discerning client requires to feel at home doing business in London. As a result, the Business Concierge Services concept is a unique combination of services that eliminates the hassle of having to book essential services separately.

LONDON SIMPLIFIED

We've carefully put together several packages – so, simply choose the one that fits your needs and relax in the knowledge that we'll take care of the rest. You'll enjoy the best that London has to offer for your requirements – a prestige chauffeured vehicle, a luxury apartment and a stunning place to work and conduct business.

PREMIUM & EXECUTIVE PACKAGES

The Premium and Executive Packages offer chauffeured vehicles (premium and executive) and luxury apartments (3-bedrooms and 2-bedrooms, respectively) and access to serviced meeting rooms. The Premium Package includes a Personal Assistant.
