The Puma Elite Invitational 2008
The Miami Experience
October 18-23, 2008

The JetSet Elite Miami Experience combines the classic golf atmosphere of La Gorce with the excitement of South Beach at full throttle.

Tailored especially for our European guests attending the Puma Elite Invitational at Cap Cana, the Miami Experience allows players to perfect their golf swing in the tropics by offering access to one of the most exclusive private country clubs in the United States, La Gorce. Two nights out at South Beach's most coveted night spots are included, with available private yacht cruises and additional daytime options such as kite surfing.

With direct flights from most major European cities and to Punta Cana, Dominican Republic, Miami is ideally situated for guests to enjoy one of JetSet Elite's signature packages first hand.
