JetSet Elite presents:

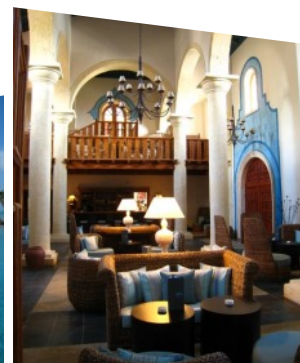

Caribbean Golf Weekend at Punta Espada - The D.R. Done Right

In its ongoing effort to scour the globe for the most beautiful and exclusive recreation opportunities, JetSet Elite has discovered the newest unspoiled jewel of the golf world in the Dominican Republic. JetSet Elite hosts the The Puma Elite Invitational Golf Tournament at Punta Espada October 23rd to 26th, offering once-in-a-lifetime access to these world-class facilities before they become completely inaccessible to non-owners and non-members.

Your tournament weekend will center on what may be Jack Nicklaus's finest creation, a stunning, ocean view golf course with 8 holes directly abutting the sapphire-blue Caribbean Sea. Participants will play two rounds of 18 holes on these manicured links while being pampered alongside guests throughout the event at the various beach clubs, spas, and restaurants.

Your accommodations will be no less spectacular, situated along the rugged Caribbean coastline of the Dominican Republic, with a view of the verdant golf course, white sand beaches, and rising sea-bound atolls that define the region. The Cap Cana resort offers the luxurious Sanctuary Hotel or a range of butler-serviced private villas to its guests, allowing them to experience this paradise the way it was meant to be enjoyed.

As our clientele have come to expect, participants from around the world will benefit from JetSet Elite's local knowledge and attention to detail. Golfers and their guests will enjoy the trademark world class dining, sizzling nightlife and impeccable service that JetSet Elite delivers in each of its destinations.

About JetSet Elite

JetSet Elite (JSE) was designed for today's young executives living the lifestyle of "conspicuous consumption", namely traders and finance professionals with limited vacation time. We realize both time and connections are priceless assets, and that our clients have neither the time nor necessarily the connections in our destinations to plan and execute a VIP travel experience as they are accustomed to at home. JetSet Elite, through meticulous planning, provides such value and execution in travel solutions.
